

## FONTECLEAN AL

### DESCRIPTION

Alkaline cleaning and pretreating detergent for interior and exterior surfaces to be painted.

### PRODUCT FEATURES AND RECOMMENDED USES

- ◆ Suitable for cleaning of aluminium surfaces and for pretreatment of old hard and glossy surfaces.
- ◆ Undiluted cleans and mattens the surface thus helping the adhesion of the following paint layer.
- ◆ Recommended for aluminium surfaces especially when mechanical roughening is not possible.
- ◆ Cleans the unpainted surfaces from dirt, grease, oil, wax etc.

### TECHNICAL DATA

#### Specific gravity

1.0 kg / l.

#### Product code

006 1925

#### Thinner

Water.

#### Instructions

Protect glass surfaces and other surfaces, which can be corroded.

Cleaning of aluminium surfaces: dilute with water, dilution 1:10. Let it work on for a few minutes. Wash down the surface with e.g. brush and rinse carefully with clean, fresh water.

Cleaning of old paint surfaces: apply undiluted on hard and glossy surfaces by brush, sponge or cloth. Allow to effect for a few minutes. Wash the surface with e.g. brush and rinse carefully with water.

Certain paint surfaces can damage when using too strong Fonteclean AL mixture. Try the effect of Fonteclean AL first on a small test area of the surface.

#### VOC

The Volatile Organic Compounds amount to  $290 \pm 5$  g/litre of detergent.

#### HEALTH AND SAFETY

Containers are provided with safety labels, which should be observed. Further information about hazardous influences and protection are detailed in individual health and safety data sheets.

A health and safety data sheet is available on request from Tikkurila Coatings Oy.

For professional use only.

The above information, based on laboratory tests and practical experience, has been proved valid at the date marked on the product data sheet. When necessary verify the validity of the product data sheet. The quality of the product is ensured by our operational system, based on the requirements of the standards ISO 9001 and ISO 14001. As a manufacturer we cannot be responsible for any damages caused by using the product against our instructions or for inappropriate purposes.
